List of Files unchanged:

Only whole files that have not been changed since A4.
1. middleware.ts

No Delta since A3 (if applicable)

If nothing has changed since A3, fill this section out (and the list of files unchanged)

Context:

If you did not make any progress since A3, please provide context/reasons in a para (or two max) to help us understand where you are at with your project

Plan:

What is your plan for making progress towards A5 between now and 12/11?
